Beneath the ocean
as blue as the sky
swam a little blue dolphin
who was a **LITTLE BIT SHY.**

She didn't play much
with all the others.

She was **SO MUCH SMALLER**
than her sisters and brothers.

But she loved **TO DANCE,**
and she loved **TO SING!**

With her headphones on,
She was the **HAPPIEST THING.**

But when it was time
for a meal or a munch,
her brothers and sisters

WERE THE CRAZIEST BUNCH.

They would **BASH**,
and they would **BUMP**.

Food was always a fight.

Daizi mostly got nothing,

NOT EVEN A BITE.

So she had an idea,
she thought it was **COOL!**
to save some fish
in a secret pool.

With a **FLIP** and a **FLICK**
and a toss and a flop,
she would kick them up
and in they would drop.
